

Cynthia Cavanaugh

LIVE BOLD. LEAVE A LEGACY.

“

STAY ANCHORED IN
GOD'S TRUTH AND INSPIRE
OTHERS WITH YOUR
LEGACY OF
FAITHFULNESS.

CYNTHIA CAVANAUGH is an author, speaker, and leadership influencer. Her story of brokenness has propelled her to write, teach, and help others redeem their pain and heal through the pages of God's Word.

She is an award-winning author of several books. Cynthia holds her MA in Leadership from Trinity Western University, where she is an adjunct professor in the Leadership degree program for international students.

In addition to speaking, Cynthia is a certified life coach and the host of the podcast, The Soul Anchor. Cynthia lives in the Pacific Northwest. A cup of tea and a little chocolate make her smile along with bicycling and spending time with the grands.

"Humility, tenderness, and humor mark Cynthia's connection with women. Cynthia's own story communicates on a deeply personal level—a level women resonate with." — **Jacqueline Welsh, Former V.P., Focus on the Family Canada**

SPEAKING TOPICS

TRUTH FACTOR

Real truth for real women. Audiences will learn, *What is God's truth and what do I believe? Why Truth Matters—Consequences for Living in the Gray. Why Truth Matters in a Crisis.*

FAITHFUL LIVING FOR LASTING INFLUENCE

Using the good kings of Judah who followed God despite adversity, Cynthia brings a message based on her latest Bible Study from Moody Publishers, *The Godly Kings of Judah: Faithful Living for Lasting Influence*. Audiences will walk away with understanding how our decisions we make today impact our legacy tomorrow.

DARE

Discover from the Bible how to—Dare to ASK, Dare to BELIEVE, Dare to be MISUNDERSTOOD, Dare to DREAM and Dare to FORGIVE.

UNLOCKED

Broken, messy, imperfect women like Jael, Rahab, Ruth, and others surrendered their fears and questions to God and history was changed. Walk with Cynthia through the lives of these everyday women in the Bible who chose to believe God and used their ordinary life for extraordinary influence.

What will your legacy be?
